Do you have suggestions for topics or specific speakers?

The most popular suggestions were for topics related to weather, fishing techniques, fish species, and boat handling. There were also requests for speakers from the USCG, FWC, and marine biologists. Several people also suggested that the club provide more information about fishing regulations and safety.

Would you be willing to teach a skill? If so, what skill?

Lots of people like the skill nights and want to learn.

Offers to teach:

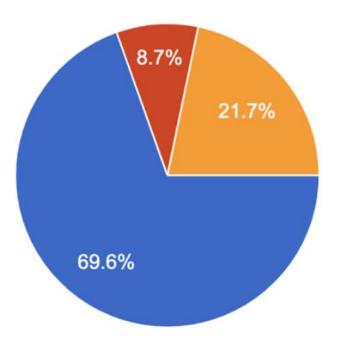

- Knots general, uni, bimini twist
- Rigs bottom, chicken, kingfish, rigging board
- Safe boating, boat handling, boating near ships
- Dolphin fishing
- Shrimping

"Sure can talk about what fishing techniques I use to catch for is biting at the time."

"I'd prefer to make a video, but with the help of others (you'd get a free fishing trip out of it). And spend the rest of the time going over knots and rigs. Leave the technique to the videos."

General meeting comments? Likes / dislikes?

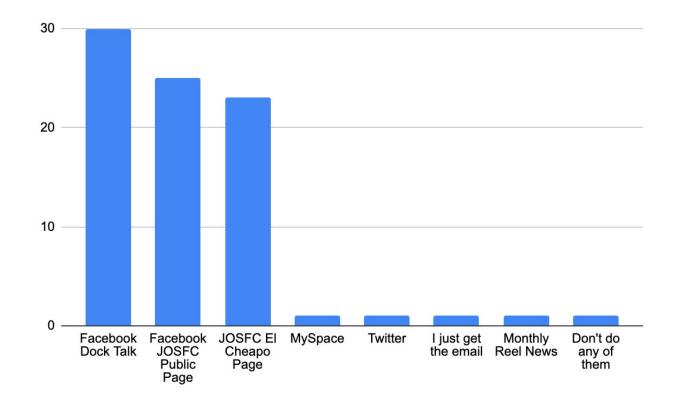

- Speakers are difficult to hear. Lack of mic, people talking. (3)
- "I like the fellowship." (2)
- Give more attention to fish slips more have people tell their stories (2)
- It would be nice to display the Fishing Boards at the meetings (2)
- Call for "better speakers."
- The tournaments are a big reason I come.
- Name tags would help all those new members.
- BAN SMOKING ON THE PREMISES- it sucks!

General meeting comments? Likes / dislikes?

- Fighting against shutting down our fisheries from activist. As fishermen we want to conserve our fisheries not shut them down.
- I have been there and people have gotten upset with each other.
- People sometimes take food like they have never eaten before.

- Plan on using in the near future.
- Haven't been around long enough

- I've been very sick
- Didn't know this was the avenue to request any open spot on a member boat
- Didn't know about Dock Talk

Have you or will you fish in any of the Captain Of The Year tournaments? 43 responses

Why?

- Fun (4)
- I like to compete. (3)

- It give me a reason to target certain species and that makes me a better fisherman.
- Without the tournaments I would not renew my membership

Have you or will you compete for the fishing boards? 46 responses

Why?

- Fun (5)
- I like to compete. (5)
- Without the boards I would not renew my membership
- It is a way to stay involved
- like getting fish slips to help with bait
- One day I'll get the prize
- Yes but hard to beat the consistent fisherwomen.
- I'm going to be out there fishing anyway, might as well throw in a little competition to make it interesting.

Why not?

- Don't want to. (2)
- I don't catch big enough fish (2)
- I don't get out (2)
- Inexperience
- Never can remember to weigh fish and post
- Should be less emotional.
- Still learning them
- We no longer live in Jacksonville
- I'm just plain sorry.

Any general comments in this area?

- I think they're great. Just wish we could get more people involved.
- I'm still not real clear about how to submit a fish for the boards (John English)
- Like tournament days
- Miss seeing the boards on display at the meetings to review them and motivate me
- Need more time to fish.
- None, unless you can tell me when and where to catch bigger fish!
- Weekends are pretty demanding for me with the kids and church so I do about two Wahoo tournaments and 2 king fish tournaments a year.
- Leave it to beaver 🤣

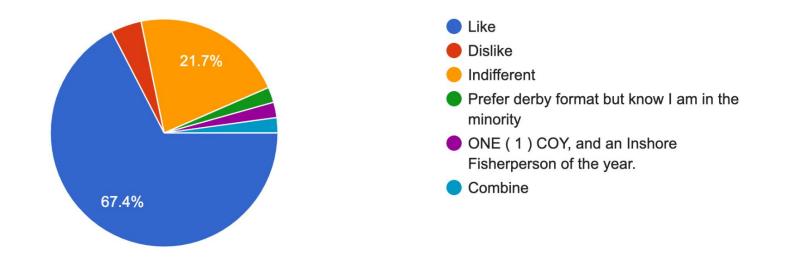

Any general comments in this area?

"I very much feel that it is unfair to all of the captains fishing in the club tournaments to post the results of their catch prior to the conclusion of each month's tournament. It is becoming more obvious that some captains use this information to adjust their fishing practices. Even to the degree that I had to listen to one Captain *threaten to file a protest* because 'up to date tournament fish weights' were not available on the morning that he chose to fish."

IV. GENERAL TOURNAMENT RULES

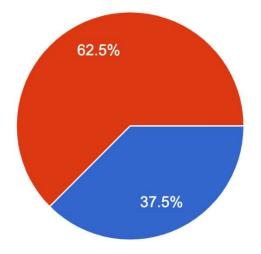

31. The Tournament Director will post/ make available tournament results AT LEAST WEEKLY for each month's tournament.

Any other banquet comments?

- The Moose Lodge has been a great venue.
- Not a huge fan of the moose lodge. Don't know particularly why.
- The last venue was too noisy with them having their own "open" time. Maybe a restaurant or other private space not used by others.
- More gag Awards makes it more fun.
- More general non-monetary awards for members to get other members involved.

Any other banquet comments?

- Looking forward to go
- It will be the best ever!!!!!!!
